Cancellation Policy:

- There will be no refund in the event of a guest cancellation;
- In the event of any unforeseen circumstances occurring where the apartment/s booked become unavailable we reserve the right to cancel the booking with full refund and no further obligation on our part.

Wristbands:

Each guest will be given a Mariner Bay labelled wristband at check-in and this must be worn during your entire stay and presented during entry and exit of the complex and at the request at any time by management and or security officers. This procedure helps to protect us from visitors and non staying guests that have no financial responsibility for any damage.

Bonds and Credit Card Guarantees:

Your bond and/or credit cards are guarantees against any damage to the complex, the apartments or its contents. It is the responsibilities of the guests to keep their apartments and their contents free of damage and clean & tidy. Any guests whose apartments, balconies or surrounds are found to be untidy, littered with rubbish, collections of bottles, cans, boxes, left over food, cigarette butts or generally any unsightly mess will be requested to remove and bin all litter and clean up immediately. Failure to comply will result in a '**FIRST & FINAL notice**' of non compliance. Any further infraction of conditions may result in the eviction of all guests from the apartment and loss of bonds or charges on the credit cards.

Noise and Behaviour:

We have '**zero tolerance**' in relation to the following:

- excessive drinking and anti-social behaviour;
- excessive noise at any time;
- the use of illegal drugs;
- the sneaking in of any unregistered guest to the premises by any means;
- removal of any apartment possessions, i.e. (using bedding, blankets, cushions to take to the beach);
- any breach of house rules relating to noisy or offensive behaviour, damage to or destruction of property, improper or unseemly conduct;
- There is a noise curfew from 10pm until 8am each day;
- All apartments are non smoking. There is a \$300 charge for smoke odour fumigation. Smoking is allowed only on the balconies and with the apartment doors closed. All butts must be binned daily.

Failure to comply, which is in the opinion of the manager and or security may result in eviction of the offender and all room mates at our discretion. Please party at the events organised in town and not at Mariner Bay.

Glass Exclusion Zones:

We again have a '**zero tolerance**' policy so please comply with the following:

- NO glass bottles policy beyond the balcony of your apartment or in any common area of the complex (yes, that includes the swimming pool);
- Glass items beyond your apartment or balcony will be confiscated immediately;

Room Inspections:

We will conduct a minimum of 2 apartment inspections during the week stay. We will provide notice of time and dates. We expect the apartment to be clean and tidy, all dishes, cutlery, pots washed and put away, rubbish removed into the bins in the parking area and all shopping trolleys removed and taken back to the grocery store!

The final apartment inspection will be conducted at check-out. We will be conducting a brief check of the apartment to make sure no major damage has occurred. We reserve the right to charge the credit cards if once our cleaners work through the apartment find broken or damaged items.

Whilst our conditions are firm, the intention is to give consideration to other in-house guests. We encourage you to enjoy the schoolies events and parties put on in the town and enjoy the rest of the time in the complex.
